Testimonials

Webster Chanda

Great learning experience with London School of DIGITAL BUSINESS. Grateful to have got the chance to work with them as an intern and learn good things. Definitely an experience that will help me advance in my career.

Shivanjali

Currently working at Tech Mahindra

Hi, I am Shivanjali a BBA student. I completed my internship with London School of DIGITAL BUSINESS recently. I am glad I joined LSDB as I got to learn various things from how to be an "employee", communication, digital marketing, and much more. Thanks to the experience and knowledge I gained there I have now joined Tech Mahindra. London School of DIGITAL BUSINESS helped me start my career the right way.

Students from diverse corners of the globe have enthusiastically enrolled and excelled in the Internship programs!

Testimonials

Yash

I enjoyed my internship at London School of DIGITAL BUSINESS. It was a chance to learn not only how digital marketing and strategies work but also a chance to learn the essentials of being an employee. Great team, great management team and great experience.

Courageous Workplaces

"I've been working with team from LSDB for over a year now and have always found them responsive, creative and extremely customer focused."

Imranul Ahsan Moonim

LSDB Intern - Utility Warehouse

"My experience with LSDB and their IITP program has been quite resourceful. I gained hands on experience in dealing with international clients, and my learning efforts were rewarded with acknowledgment and client satisfaction. I feel fully confident that I can take on full-scale projects for international service seekers. Moreover, I can hope of attaining a notable list of consistent clientele thanks to the foundation LSDB helped me build. This is the closest I have ever been to attaining my dream of penetrating international markets with in-demand skills.

LSDB has really managed to streamline the process of entering international markets for individuals who are interested to take on this high income opportunity."
